

EV Freedom Bill Press Conference

Press Conference on March 22 for SB 127

The office of CT Senator Will Haskell is organizing a press conference for Monday, March 22. It will be held outdoors at the Westport Train Station (New Haven-bound side) at 10 AM.

UPDATE: LUCID VEHICLE (pictured above) EXPECTED TO BE BROUGHT TO THE PRESS CONFERENCE.

All EV owners are invited to join us and spread the message that consumers should be able to buy the EV that fits their lifestyle and budget, and be able to do so in CT.

SB 127 would allow manufacturers of exclusively EVs that do not have a franchise dealer network to open stores in CT, which is one of a handful of states that currently prohibit this. Check out this [video](#) made by Will Cross of the CT Tesla Owners Club.

Even if you can't join us, please write to your state senator and representative and tell them you support this bill.
