

Rivian Makes Appearance in CT to Support SB 127

Rivian Brings New R1T to CT in Support of Direct Sales

With the fate of SB 127 hanging in the balance in the waning days of the 2021 legislative session, a pre-production version of the Rivian R1T all-electric pickup truck made an appearance in CT. It could be found Thursday in Hartford, where legislators and the governor were given the opportunity to go for a drive and see the future of electro-mobility. The fate of the bill in the Senate is expected to be determined over the next few days. It would then still have to go before the House.

On Friday, a last-minute gathering came together, where some members of the EV Club CT, were also able to get a look. We hope to bring them back to CT once they have started production later this year.
