

Central Connecticut State University Electric Vehicle Showcase

EV Owners Wanted to Exhibit Their Vehicles

Are you EV curious? Join local electric vehicle (EV) owners, enthusiasts, and the general public and learn about electric vehicles, their clean-air benefits, cost-savings, and check out the EVs on display.

Test drive an electric car, visit with exhibitors, and learn how easy it is to drive and convert gas cars to be electric cars.

October 3rd 10A-2P at Central Connecticut State University in New Britain.

This is a National Drive Electric Week Event.
