

SB 127 Direct Sales Bill Public Hearings Held on 2/19

SB 127 – Permit EV Exclusive Manufacturers to Sell Direct in CT

A virtual public hearing was held yesterday by the legislature for this bill. Both written and oral comments were solicited.

Of the 76 [written comments](#) and a full day of Zoom testimony, every consumer that testified was in favor of passing this bill. Not really a surprise that consumers support a consumer-friendly bill. It is still opposed by dealerships and the OEMs. Nothing has changed.

It is difficult to read the tea leaves regarding the impact of testimony, pro or con. The bill has to pass a committee vote and then be called for a vote in both chambers. We are encouraged by the large number of comments submitted and the support we are receiving.

Judging by the response in the testimony, constituents are sending a message: protecting the environment is important and consumer choice is important, more important than protecting outdated laws.

Special thanks to Senator Haskell and Representative Steinberg who submitted the bill, as well as Representatives Wood and Michel who came on board as co-sponsors.
