

Ridgefield Solar Canopy Celebration and EV Showcase

Ridgefield High School Sports a New Solar Canopy

EV owners wanted to exhibit their vehicles during the celebration! Just show up; no advance registration required.

Date/Time: October 5, 2-4 PM

Location: Ridgefield High School

This installation is 1,040 kW and will produce 1.15 million kWh annually. No taxpayer funds were used to pay for this.

RIDGEFIELD SOLAR CANOPY CELEBRATION
