

Webinars Scheduled for EV Charging Incentive Information

EV Charging Incentive Webinars

Eversource and United Illuminating are doing a series of webinars about the new incentives, the first of them only hours from this posting. They will cover similar ground as the session with the EV Club [here](#), though they are segmenting them as you can see below. When the club presentation occurred, there were some rules that did not seem to be fully baked, so there may be some updated information here. Also, there is more likely to be some EV 101 that was not necessary for our group.
